MANNS HARBOR, NC: Paul Mann Custom Boats announces the launch of its most recent build, the 67-foot *LISA K*, a beautiful Carolina-style yacht with head-turning good looks in a traditional style yet employing the most modern lightweight and strong materials. Mann's signature custom design and over 25 years' experience creates a well-known seaworthy bottom which promises incredible performance from *LISA K*.

The bodacious and sleek 67' LOA, three-stateroom, three-head design is powered by Caterpillar C-32 ACERT 1925 HP Tier III high performance engines. Fuel capacity is 1,900 gallons and she holds 300 gallons of freshwater. *LISA K* is equipped with a full tower and hardtop by Bausch American Towers along with Rupp 43' Tournament triple-spread Big Riggs.

Bridge controls include CAT 360 Precision Controls with joystick maneuvering, and

controls are mounted on Paul Mann Custom Boats' Palm Beach-style helm teak pod. The IMS American electronics package includes a complete suite of the latest equipment available, from a full autopilot system to a remote control search light to a thermal imaging system and much more. The sprawling bridge features twin helm chairs by Release Marine, and includes a custom console housing all electronics along with the CAT 360 controls and joystick, plus custom freezers, a wraparound bench seating with rod storage and a reversible jump seat. Four teaser reels in the overhead set up are for pulling dredges and chains. The bridge and mezzanine cushions are custom made by C-Worthy.

The expansive teak cockpit offers a custom mezzanine with refrigeration capabilities, spacious storage, built-in tackle drawers, gunnel gaffe lockers, an insulated fish box and livewell. It hosts the Trillion Series fighting chair by Release Marine. *LISA K* is ready to go tournament fishing anywhere in the world.

*LISA K* is complete with Mann's award winning handcrafted, fully customized interior offering high-end details such as raised panel cherry doors, handpicked hardwoods and veneers along with granite countertops throughout. The galley is fully equipped and the gallery sole features cherry and holly flooring. The salon features upholstered furniture by Mark van Brunt.
