IZZER: UNDENIABLY ONE OF THE WORLD'S HIGHEST QUALITY SPORTFISHING YACHTS

Izzer was created for Monte McDowell—an avid sportsman and world traveler whose hobbies include billfishing and bow hunting big game. *Izzer* is built to be among the world's fastest, most handsome and functional sportfishing yachts. She's more than capable of going to the world's top fishing destinations in first-class style and she's complete with the equipment, amenities and capability to undertake long-range adventures in safety and comfort. Her interior is simply breathtaking; her discriminating owner is dedicated to superior quality and was involved in every design decision to best meet the demands of serious sportfishing, occasional quartering of his young family, and entertaining friends in comfort. This is not a "wannabe" or a "has been," *Izzer* IS one of the finest boats of her kind in the world, and she certainly IS one fabulous way to catch fish.
